

JANUARY 2023

Local Tax Collectors turn in the unpaid taxes for the prior year (2022) by January 13th. **Payments for 2022 taxes cannot be taken until they are received into our system.** Since there are 25 districts in the county, this can take a few weeks for processing to be completed. Once a district has been balanced, payments will be accepted. Please feel free to call the office to see if your district is balanced before making a trip to the courthouse.

There is a \$15.00 fee per tax turned in.

Example: County, Municipality, and School would be \$45.00

Please note that the **Altoona Area School District** has chosen a third party collection agency for their **School Taxes**.
